

KUBA JAKUBOWSKI

ABOUT ME

I am energetic, self confident, ambitious, curious about life. I like working with people, but also I feel comfortable working independently. I used to work on many different positions, which allowed me to develop observation and adaptation skills. I want to broaden my knowledge of sales and marketing for this purpose I started my education on WSB University.

SKILLS

- advanced in English language
- good knowledge of MS Office package
- basic knowledge in:
 - Facebook Ads
 - HTML
 - CSS
 - JavaScript

HOBBIES AND INTERESTS

I like foreign languages, juggle, perform handstands, play djembe (African drum) and all other possible percussion instruments. I cycle, play chess. One day I want to build a custom, offroad camper van and go on a trip to Africa and Asia.
